

How to Apply for FEMA Assistance After Alabama Tornadoes

Release Date: ?? 16, 2023

ATLANTA – Alabama homeowners and renters in Autauga and Dallas counties who were affected by the severe storms, straight-line winds and tornadoes that occurred Jan. 12, 2023, may apply for FEMA disaster assistance.

Survivors can apply for disaster assistance at disasterassistance.gov, by using the [FEMA mobile app](#), or by calling 800-621-3362. The helpline is open, and help is available from 6 a.m. to 10 p.m. Central Time in most languages. If you use video relay service (VRS), captioned telephone service or others, give FEMA the number for that service.

When you apply for assistance, have the following information ready:

- A current phone number where you can be contacted
- Your address at the time of the disaster and the address where you are now staying
- Your Social Security number
- A general list of damage and losses
- Banking information if you choose direct deposit
- If insured, the policy number or the agent and/or the company name

Survivors may be eligible to receive assistance for uninsured and underinsured damage and losses resulting from the tornadoes. If you have homeowners, renters or flood insurance, you should file a claim as soon as possible. FEMA cannot duplicate benefits for losses covered by insurance. If your policy does not cover all your disaster expenses, you may be eligible for federal assistance.

Take photos to document damage and begin cleanup and repairs to prevent further damage. Remember to keep receipts from all purchases related to the cleanup and repair.
