

Renters Can Apply for FEMA Assistance

Release Date: 8? 25, 2023

Renters in Maui County whose homes and property were damaged by the Aug. 8 wildfires can apply for FEMA disaster assistance.

FEMA Individual Assistance is available to renters, including students, as well as homeowners. Federal grants can help pay for temporary housing. The initial rental grant is for a one-month or two-month period and can be reviewed for additional assistance.

Renters may also qualify for a grant under FEMA's Other Needs Assistance program for uninsured essential personal property losses and other disaster-related expenses. These may include:

- Replacement or repair of necessary personal property such as furniture, appliances, clothing, textbooks or school supplies;
- Replacement or repair of tools and other job-related equipment required by the self-employed;
- If your primary vehicle was damaged by the storms and is no longer operable (and the vehicle complies with state registration and insurance requirements) FEMA may be able to help. Not all damage is covered so check with FEMA to see if your vehicle is eligible;
- Uninsured or out-of-pocket medical, dental, childcare, moving and storage expenses.

Homeowners and renters may also borrow up to \$100,000 from the U.S. Small Business Administration, which provides disaster loans to replace damaged or destroyed personal property such as clothing, furniture, appliances or cars. First, they must apply to FEMA, then apply to SBA. For more information, go to [Hawaii wildfires | U.S. Small Business Administration \(sba.gov\)](#)
