

More Than \$4.6 Million in the Hands of Michigan Storm Survivors

Release Date: ?? 23, 2024

LANSING, Mich. – As of Thursday, February 22, FEMA assistance to survivors of the August 24-26, 2023, severe storms, tornadoes and flooding in Eaton, Ingham, Ionia, Kent, Livingston, Macomb, Monroe, Oakland and Wayne counties has topped **\$4.6 million**.

Here is a snapshot of FEMA disaster assistance to date:

- More than **1,632** households have been approved for FEMA grant funding totaling more than **\$4.6 million** including:
 - More than **\$4 million** in housing grants, including short-term rental assistance and home repair costs.
 - More than **\$635,000** for other essential disaster-related needs, such as expenses related to medical, dental and lost personal possessions.
 - More than **2,954** home inspections have been completed.
 - SBA has received **473** applicants for low-interest disaster loans and has approved **six** loans totaling **\$144,500**.
 - One Business Recovery Center is currently open in Monroe County.
 - In addition to the FEMA assistance that has been provided to survivors, the National Flood Insurance Program (NFIP) has awarded more than **\$2.7** million to **77** applicants whose homes or property were damaged in the August 24-26 storms.
 - Participating in the NFIP can save thousands of dollars. An inch of floodwater per 1,000 square feet can cost about \$10,000 to repair. Yet, most private insurance companies do not cover flood damage.

FEMA's Disaster Survivor Assistance crews are currently out in the field, visiting homes, businesses, and nonprofit organizations in affected areas to help residents register for assistance, identify, and address immediate and emerging needs, and make referrals to other local, state, and voluntary agencies for additional support.

A Disaster Recovery Center opened at 8 a.m. Thursday, February 22, in Williamston (Ingham County). A recovery center is scheduled to open at 8 a.m. Friday, February 23, in Chesterfield (Macomb County). More centers will soon be open in other impacted areas, where FEMA and the U.S. Small Business Administration specialists can help you upload documents, answer questions and provide information on available resources. The centers serve as onestop shops for survivors who need one-on-one help. Survivors can visit any center for assistance. For locations and hours, visit [fema.gov/drc](https://www.fema.gov/drc).

Residents affected by the August storms with uninsured to under-insured losses are encouraged to apply for federal assistance if they haven't done so already. The deadline to apply is April 8, 2024.

Apply one of three ways:

- Go online to [DisasterAssistance.gov](https://www.DisasterAssistance.gov).
- Use the [FEMA mobile app](#).
- Call the FEMA helpline at **800-621-3362** between 7 a.m. and 11 p.m. Multilingual operators are available. If you use video relay service, captioned telephone service or others, give FEMA your number for that service.
