

Citizenship and FEMA Eligibility

Release Date: 6? 26, 2024

FEMA is committed to helping all eligible disaster survivors in eight Arkansas counties recover from the severe storms of May 24-27, including U.S. citizens, non-citizen nationals and qualified non-citizens.

Disaster survivors in Baxter, Benton, Boone, Fulton, Greene, Madison, Marion and Randolph counties may apply for assistance from FEMA's Individuals and Households Program (IHP).

You or a member of your household must be a U.S. citizen, non-citizen national or qualified non-citizen to apply. Families with diverse immigration status, including adults who are undocumented, may still apply for assistance if:

- Another adult member of your household meets the eligibility criteria and certifies their citizenship status during the application process or signs the Declaration and Release form, or
- The parent or guardian of a minor child who is a U.S. citizen, non-citizen national or a qualified non-citizen applies for assistance on behalf of the child living in the same household. The parent or legal guardian must register as the co-applicant, and the child must be under age 18 as of May 24, 2024, the first day of the incident period.

U.S. Citizens

Anyone born in the U.S.; a person born outside of the U.S. to at least one U.S. parent; or a naturalized citizen.

Non-Citizen Nationals

A non-citizen national is a person born in an outlying possession of the U.S. – for example, the Republic of the Marshall Islands -- on or after the date the U.S. acquired the possession, or a person whose parents are U.S. non-citizen nationals. All U.S. citizens are U.S. nationals, but not every U.S. national is a U.S. citizen.
